Dear Community Member:

Lanark County Interval House is holding its Annual General Meeting on September 18, 2017 at 6:30 pm at the Lanark County Administration Building, located at 99 Christie Lake Rd, in the town of Perth. We hope that you will be able to join us.

This past year has been both challenging and exciting. We have continued to invest in our partnerships, and are seeing some novel outcomes from all that work. Acts of violence have heightened the awareness of the need for changes in all parts of our community from Schools, Court, Housing, Policing and Support services. Lanark County Interval House recognizes the need for change and healing, and we commend the efforts being made by and with our community partners.

By becoming a member, or by attending gatherings of Lanark County Interval House, you demonstrate your commitment to supporting our mission, and goals in supporting women and their children impacted by violence.

We are pleased to tell you that we have an exciting meeting planned. We intend to acknowledge some of the work being done by other agencies in our county, some of the people who are driving changes, and those who year after year continue to be involved in the mission to support women and children who use some of our many services. As always we will update the community on the work we are doing and the business aspects of our agency.

We look forward to your participation in our Annual Meeting. If you have any questions, or require further information, please do not hesitate to contact the agency directly or via our website www.lcih.org.

Please RSVP to mgmtasst@lcih.com if you are able to join us.

Sincerely,

Erin Lee
Executive Director
Lanark County Interval House
