

## CALL FOR BOARD MEMBERS

Lanark County Interval House is currently seeking dedicated feminists to sit on our Board of Directors. LCIH, is a not-for-profit, charitable organization supporting survivors of domestic and sexual violence. We operate with a strong commitment to equity, fairness, diversity, valuing lived experience, accessibility, harm reduction, and anti-racism/anti-oppression practices.

Ideal candidates will possess a strong interest in working towards the elimination of all forms of gender-based violence, show integrity and commitment, and support the work and the mission of the organization.

Currently we are recruiting women with skills/knowledge in: gender diversity, health, fundraising, finance, human resources, legal knowledge, and education. We value the voices of those with lived experience and would invite you to self-identify if you feel comfortable doing so. Previous Board experience is an asset, but not necessary.

For more information about our organization, consider visiting our website at [www.lcih.org](http://www.lcih.org), or our Facebook Page at [www.facebook.com/lanarkcountyintervalhouse](https://www.facebook.com/lanarkcountyintervalhouse).

Those interested are asked to email their resumé or letter of intent to: [board@lcih.com](mailto:board@lcih.com).
