

Looking for a unique volunteer experience, while supporting women in the Family Court System?

Become a Family Court Support Volunteer with Lanark County Interval House

Since 2011, the Family Court Support Program has helped victims of domestic violence navigate the Family Court process. As a Family Court Support Volunteer, you may help women in some of the following ways:

- ◆ Accompany women to court to provide support before, during, and after court proceedings*
- ◆ Provide a stronger sense of visibility and safety and lessen their sense of isolation
 - ◆ Direct women to relevant resources
