June 17, 2020

Dear Community Member:

Lanark County Interval House is holding its Annual General Meeting on September 22, 2020 at 6 pm via Go To Meeting from Carleton Place. We hope that you will be able to join us.

This past year has been both challenging and exciting. With the arrival of Covid-19 as we were approaching the end of the fiscal year, we quickly moved into pandemic mode and the team has done a stellar job as have the women and children.

We continue to honour growing pains, loss and the ongoing courage of women and children in our county. We have continued to invest in our partnerships, and we continue to evolve.

Lanark County Interval House recognizes the need for change and healing, and we commend the efforts being made by and across our community. With the pandemic, the risk of isolation and increase in violence became our reality. Add to this the loss of lives especially in our LTC facilities and the ongoing issues of race, and black lives matter, challenges were abundant. In true form, our community and our team responded and finished the year Covid free with hope for our future.

By becoming a member, or by attending gatherings of Lanark County Interval House, you demonstrate your commitment to supporting our mission, and goals in supporting women and their children impacted by violence.

We are pleased to tell you that we have an exciting virtual meeting planned. We intend to acknowledge our work, some of the people who are driving changes, and those who year after year continue to be involved in the mission to support women and children who use our many services.

As always we will update the community on the work we are doing and the business aspects of our agency.

We look forward to your participation in our Annual Meeting.

If you have any questions, or require further information, please do not hesitate to contact the agency directly or via our website www.lcih.org.
